Java Lava Coffee Liqueur Earns Silver Medal and Best of Class Honors at the 2026 American Distilling Institute International Spirits Competition

CLACKAMAS, OREGON – June 2026 – Johnny Rocks Spirits proudly announces that its flagship **Java Lava Coffee Liqueur** has been awarded both a **Silver Medal** and the prestigious **Best of Class** designation at the 2026 American Distilling Institute International Spirits Competition, one of the most respected and competitive spirits evaluations in the world. The ADI competition recognizes excellence in craft distilling through blind judging by industry experts and spirits professionals.

The dual recognition places Java Lava among an elite group of award-winning craft spirits and highlights the exceptional quality, flavor profile, and craftsmanship that have become the hallmark of the brand.

Crafted with fresh espresso, premium rum, and carefully selected ingredients, Java Lava Coffee Liqueur delivers a rich, authentic coffee experience with remarkable smoothness and balance. Judges praised the spirit for its bold coffee character, depth of flavor, and exceptional drinkability.

“We are incredibly honored to receive these awards from the American Distilling Institute,” said Sharon Mowry, President of Johnny Rocks Spirits. “Winning a Silver Medal is exciting, but being named Best of Class is especially meaningful because it recognizes Java Lava as a standout product within its category. This award reflects the passion, dedication, and attention to detail that goes into every bottle we produce.”

The American Distilling Institute’s International Spirits Competition is recognized throughout the industry for its rigorous blind-tasting process and commitment to identifying the finest craft spirits from around the world. Best of Class awards are reserved for products that demonstrate exceptional quality and distinguish themselves among top competitors.

Since its launch, Java Lava Coffee Liqueur has continued to build a loyal following among coffee lovers, cocktail enthusiasts, and industry professionals alike. The 2026 ADI awards further validate the brand’s commitment to producing a world-class coffee liqueur that stands apart in an increasingly competitive marketplace.
